4.5 Provide the following information related to at least three previous and current service/contracts, performed by the offeror’s organization, which are similar to the requirements of this RFP. A1. As the RFP format is established by South Dakota Office of Procurement’s template, it is the SDDOT’s belief that this is requesting at least three examples of previous related experience and that this should include all related projects that were terminated before completion within the past three years.

Q2. “Can the proposal be hand-delivered?”

A2. Yes.

Q3. “What is the total grant dollar amount?”

A3. The procurement request is not a grant, it is to help develop and manage a grant program. Thus no “grant dollar amount” has been set.

Q4. “How many applicants for the program are anticipated?”

A4. Unknown, hoping for at least 3 applicants.

Q5. “Are there any Not To Exceed amounts governing the proposal?”

A5. The ultimate contract will have an actual cost not to exceed contract, but the not to exceed amount has not yet been set.
