

## REQUEST FOR STATEMENTS OF INTEREST

Date: March 7, 2023

To: Interested Consultant

Subject: Administration/Design/Construction for the following project located in Yankton County (Marindahl Lake, South Dakota):

- Slope grading and spillway repair.

The Department of Game, Fish and Parks (GFP) is soliciting Statements of Interest for Administration/Design/Construction services to be performed on the owner's behalf to provide site investigations, plans, specifications, cost estimates, and site inspection/testing for the spillway replacement at Marindahl Lake Dam in Yankton County, SD. The consultant will be working alongside SD GFP to provide plans, specs, and information to FEMA & SD DANR for the duration of the project.

The projects scope of work will include, but is not limited to:

- Geotechnical borings, site investigations, and spillway replacement recommendations for the project.
- Design and plans preparation activities for grading.
- Design and plans preparation activities for replacement of the spillway structure.
- Land surveying activities.
- Hydrologic/hydraulic design activities for replacement of the structure.
- Construction inspection activities for grading and structure replacement.

The Consultant shall provide site investigation report, & 30% design concepts report with cost estimates for the project by August 4<sup>th</sup>, 2023.

The chosen Consultant will be asked to provide detailed invoices showing cost breakdowns billed to specific project codes in half hour increments.

Firms wishing to be considered for providing Administration/Design/Construction services for this project should send a Statement of Interest that outlines their qualifications and experience relative to this project. Statements of Interest must include at a minimum:

- Specialized expertise, capabilities, and experience as demonstrated by the teams' capabilities, and the proposed approach and methodology to meet the project requirements. (30%)
- Resources available to perform the work, including any specialized services, within the specified time limits for the project. Include resumes of all personnel, including all sub-consultants who will be assigned to this project. (30%)
- Record of past performance, including price and cost data from previous projects, quality of work, ability to meet schedules, cost control, and contract administration. (10%)
- Availability to project locale. (5%)
- Ability and proven history in handling special project constraints. (15%)
- Proposed project management techniques. (5%)
- Familiarity with project locale. (5%)

A technical review committee will select a firm based on the response to the criteria listed above.

## SOUTH DAKOTA DEPARTMENT OF GAME, FISH AND PARKS

523 EAST CAPITOL AVENUE | PIERRE, SD 57501
