

TRAINING MOTORCYCLES

Budget:

\$50,000 - \$60,000. Quantity of motorcycles ordered will depend on the cost of each motorcycle.

Award:

A price for motorcycles delivered to both Rapid City and Sioux Falls is requested. Be sure to bid BOTH line items as it is the State's intention to award as ALL OR NONE based on the overall low bid.

Specifications:

- Training motorcycles must have a gasoline powered, air cooled engine or air/oil cooled engine.
- Motorcycles must be intended for road use and be equipped with mirrors and turn signals.
- Manual transmission.
- Engine size of between 196cc to 350cc.
- Unladen, upright seat height of between 27" to 31.5".
- Motorcycles shall conform to the following design parameters: Standard, cruiser, or dual sport. Motorcycles of the sport bike variety, or pure dirt motorcycles will not be considered.
- Motorcycles with unladen seat heights of greater than 30" must have the ability to modify seat height lower.
- Motorcycles must have the ability to be fitted with crash protection.
- Acceptable brands include: BMW, Harley-Davidson, Honda, Indian, Kawasaki, Royal Enfield, Suzuki, or Yamaha.

Delivery:

- Delivery shall be F.O.B. Destination with all transportation and delivery charges paid for by the vendor.
- Vendor delivery to Rapid City and/or Sioux Falls
- A delivery date in 2023 is requested. Please include with your bid an anticipated delivery date.
