**RE: Request for Statement of Interest
ELECTRICAL ENG/PHYSICS, EEP RENOVATION
South Dakota School of Mines and Technology
RAPID CITY, SOUTH DAKOTA
OSE# R0723--07X**

The State is seeking firms interested in providing professional Engineering and Design services for the project referenced above. The project scope will involve the design, bid and construction for Electrical Eng./Physics, EEP Renovation at the South Dakota School of Mines and Technology in Rapid City, South Dakota, OSE #R0723--07X

Design work to include replacement of building electrical switchgear, other electrical components, and HVAC. If budget allows renovations to windows and doors will be included.

Construction for the project will generally occur January 2025 – August of 2025. It may be determined that some work could occur prior to these dates.

Firms desiring to be considered for providing professional services for this project should send a statement of interest that outlines qualifications and experience for this project. Statements of Interest should at a minimum include the following:

1. Specialized expertise, capabilities, experience in commissioning similar facilities, and technical competence as demonstrated by the team's capabilities, proposed approach and methodology to meet the project requirements. (30%)
2. Resources available to perform the work, including any specialized services, within the specified time limits for the project. Include resumes of all personnel, including sub-consultants who will be assigned to this project for the entire duration. (30%)
3. Record of past performance, including price and cost data from previous projects, quality of work, ability to meet schedules, cost control, and contract administration. (20%)
4. Availability to project locale. (5%)
5. Familiarity with project locale. (5%)
6. Proposed project management techniques. (5%)
7. Ability and project history in handling special project constraints. (5%)

A technical review committee will select the firm based on the criteria shown. The committee respectfully requests that statements of interest be limited to 25 pages or less. This is not a requirement; merely a request.

Copies of the statement of interest must be submitted by **3:00pm MT on Friday, May 19, 2023**. Please send electronic copies (media

or e-mail attachment) as quantified to each of the following:
