Do not submit responses through ESM Sourcing as this is for informational purposes only. Please download the attached RFP Document and follow submittal instructions.

The project will include several new mobile pump stations. This document defines the requirements and deliverables for these systems. It describes overall requirements that must be met to produce the specific equipment requested. This document covers the procurement and delivery of the systems, with no required installation.

This URS is the input document for the:

- Equipment procurement purposes.
 - Equipment sizing
 - Functional and technical specifications.
