NASPO ValuePoint RFP BPM037964 EV Charging Stations

All vendor proposals must be submitted by **2:00 PM, Eastern Time on August 23, 2023.**

The purpose of this Request for Proposal (RFP) is to establish Master Agreements with qualified bidders, to provide **EV Charging Stations** for all Participating States. The objective of this RFP is to obtain best value, and in some cases achieve more favorable pricing, than is obtainable by an individual state or local government entity because of the collective volume of potential purchases by numerous state and local government entities.

The Master Agreement(s) resulting from this procurement may be used by state governments (including departments, agencies, institutions), institutions of higher education, political subdivisions (i.e., colleges, school districts, counties, cities, etc.), the District of Columbia, territories of the United States, and other eligible entities subject to approval of the individual chief procurement official and compliance with local statutory and regulatory provisions.

The RFP is available on **Maryland's** procurement system website using the following link: <https://emma.maryland.gov/>

The State of South Dakota is a member of NASPO ValuePoint and may utilize any contract that is awarded as result of this RFP. A final decision on South Dakota's participation will be made after the award decision has been made by the State of Maryland and the participating States.
