MMCAP Infuse has released a solicitation titled **Request for Proposals (RFP) for Pharmacy Related Supplies**, Reference Number: **33631**. The solicitation documents are available for download on the [OSP \(Office of State Procurement\) website](https://osp.admin.mn.gov/GS-auto). <https://osp.admin.mn.gov/GS-auto>

There are three (3) documents associated with this proposal. Once you click on each button to download, you **must** insert an email address and click "submit." When you're redirected to the next page, click on the "Thank you" message to download and obtain the RFP documents. These documents are titled with the following:

- Download solicitation PDF and subscribe = RFP Document
- Addendum 1 = Cost Proposal
- Addendum 2 = Sample Agreement

IMPORTANT: Although the Cost Proposal and Sample Agreement are titled "Addendum 1" and "Addendum 2", it is worth noting that these are **not** addendums. System limitations prevented us from changing the naming conventions of these documents.

Your information will be collected for the purpose of notifying you of any official addendums that may be issued for this solicitation. If the RFP is further distributed to any other parties that have not downloaded the solicitation from the OSP website and recorded their information, they will **not** be notified of these addendums. Not receiving any addendum will not be grounds for protesting the awards made in this RFP.

If you have any questions, please reach out to MMCAP_Infuse.RFP@state.mn.us.
