1 Section 1 - RFQ-S Instructions

This section is for informational purposes only. Please follow these instructions to respond to this RFQ-S:

1. Please download the attached RFQ-S document(s).
2. When responding, please enter your responses in the Word document itself. If an Excel spreadsheet is attached, please enter your cost responses in the Excel spreadsheet.
3. Separate the Word document into two separate Word documents: one containing your technical proposal and the other containing your cost proposal.
4. You will attach your Word or Excel documents in Event Section 2.
5. Please attach two **separate** documents when responding to this RFQ-S: (a) technical proposal, and (b) cost proposal.
6. Please attach your responses in the original file format (for example, Word or Excel).
7. Name your technical proposal "Technical Proposal," and your cost proposal "Cost Proposal." Do not include cost information in your technical response.
8. In Event Section 2, please enter \$0.01 as your cost response. This serves as a placeholder for the actual cost you will be submitting in your cost proposal. Only the cost in your cost proposal that will be evaluated.
